DAUPHIN LADY CURLERS

The Dauphin Ladies' first bonspiel was held in 1909, in the old skating rink.

The present curling club was built in 1948. An Artificial plant was installed in October 1959, with the combined efforts of the ladies' and men's clubs raising the necessary funds. The rink now has eight sheets of ice.

The annual bonspiel is sponsored by the two sections of the ladies' club, the Afternoon Club and the Evening Club; the Kilty Kurling Klub.

The Dauphin Lady Curlers are proud to have been active in the Playdowns since their beginning and this year we are pleased to host Zone C for the Provincial semi-finals, January 30th and 31st. We are looking forward to welcoming our guests on their arrival for this important event in our Manitoba curling activities.

Our 55th Annual Bonspiel will be held in March.

ST. VITAL LADIES' CURLING CLUB

The St. Vital Ladies' Curling Club was organized in 1933. Mrs. Berry as a representative of the M.L.C.A. was asked to chair the meeting, called to organize the ladies of St. Vital.

An executive headed by Mrs. N. P. Reid was elected, and six rinks were formed to play on three sheets of ice in the old Agricultural building which has since been torn down to make room for a new rink of six sheets in 1955.

The original fees were \$3.25 of which \$3.00 was paid for ice rental. In 1940 Mrs. Reid donated a trophy to be played for within the club at an all-day bonspiel, and is still in competition today.

Money for the new curling club was raised by the members selling subscriptions on two cars and several years later on an aeroplane for artificial ice. This year we are trying to raise money for a new shed, the prize being a trip to Las Vegas with spending money for two weeks.

Our ladies' section has grown to a membership of 18 rinks, with 15 associates.

LADIES' CURLING IN MELITA

1922 - 1963

After 41 years of club curling the Melita Ladies are both pleased and proud to be zone hosts for 1964.

We had three sheets of curling ice until 1948 when we moved to our new rink with four sheets. A highlight of recent years was the advent of artificial ice in 1961. This year an afternoon draw has been organized in addition to the evening curling and we have been pleased to welcome ladies from neighboring towns.

CARMAN LADIES' CURLING CLUB

Carman Ladies' Curling Club was first organized in Jan. 1930, and continued until 1943. After six years it was re-organized with 8 rinks participating. In 1956, an evening club was formed under the direction of the parent club, and in the spring of 1962 the afternoon and evening curlers competed for the Manitoba Pool Elevator Trophy.

The first annual bonspiel was held in 1963 with a limited entry of 42 rinks. It was held in the new arena which has four sheets of artificial ice.

Carman is pleased to act as hostess for the Eastern Division Zone winners finals to be held on Jan. 30th and 31st, 1964.

We sincerely hope you enjoy your visit to Carman.

Perfect Balance!

A Co-operative organization can be truly a perfect balance between a business and the consumer who uses its goods and services. Because Co-operative consumers OWN their own business to provide themselves with goods and services at cost. There are no profits to a few individuals in a Co-op—all members share the savings on the basis of their patronage. YOU may share the benefits of Co-operative ownership by becoming a member of your local Co-op.

GENERAL BONSPIEL RULES

1. The number of draws each day will be decided and published by the Ice and Draw Committee of the Manitoba Ladies' Curling Association. All games shall be ten ends unless changed on the published draw sheets by the Ice and Draw Committee.

2. At starting times umpires shall give the starting signal, first in the waiting rooms, and immediately after on the ice. All rinks are to be on the ice upon which they are drawn to play at the time at which they are drawn to play.

3. If a competing rink is not on the ice ready to play when the signal is given and the opponents are ready to play, the umpire shall score against the late rink one point for every fifteen (15) minutes or fraction thereof it is late. Such penalty points are to be marked on score cards by umpires and must be considered in the total score of the game. Opponents of late rinks must accept points marked on score cards by umpires and on no account can these points be waived by mutual consent or otherwise. One end will be considered played for every point so scored.

4. In the event of both competing rinks being unready to play when the signal is given, the umpire will score one point for each rink and one end will be considered played for every fifteen (15) minutes or fraction thereof they are late.

5. When ten-end games are being played umpires will signal for completion of game at two hours and ten minutes after the start of each draw, and games must finish with the completion of the end being played, plus one more end, excepting any game which may be tied at the completion of that end. Such tie games are to proceed until a point is scored to decide the game. A rock must have been thrown by a player before an end can be said to be in progress of being played.

6. When six penalty points in a ten-end game have been scored against a rink in default for being late in accordance with the foregoing rules, the umpire shall immediately de-

7. The two vice-skips opposing each other shall settle by tossing a coin which rink shall lead in the first end actually played.

8. Rinks must play with the rocks provided on the sheet of ice. Under no circumstances will players be allowed to use their own rocks; nor can rocks be moved from one sheet to another.

9. Except for the first game in the bonspiel, if one player on a rink be not on hand at starting time, three players may proceed with the game in accordance with the Rules of the Game, paragraph (2). The player coming late may sweep as soon as she comes upon the ice, but cannot play her stone until after the completion of an end; with the following exceptions: A skip, third or second may play if she comes upon the ice before the lead has played more than two stones.

10. The Manitoba Ladies' Curling Association will insist that all curlers living within the jurisdiction of the Manitoba Ladies' Curling Association, in order to enter in the bonspiel, shall be members in good standing of an affiliated club, and wherever possible a rink should be composed of members of the same club. The Executive Council of Manitoba Ladies' Curling Association reserves the right to drop from bonspiel play any rink which is not composed fully of members in good standing of an affiliated club or clubs. A member in good standing is one who pays the annual dues set by that club for active playing.

11. Umpires shall use measuring sticks in general use at the club to determine whether or not a rock is a counter on outer ring.

12. Rinks entered in any competition must have four active players and go through the Open Events with the four named players as entered on the official entry form, subject to Rule 12 of Rules of the Game. No substitute shall be allowed.

No sweeper is allowed for an absentee, and no rink will be allowed to continue with less than three players.

15. Unless otherwise provided in the Rules governing the competition or as set out by the Ice and Draw Committee, ten ends shall be played in each successive game, and in the event of the score being tied when ten ends have been played an extra end or ends shall be played until the winner is decided.

16. In the event of any disagreement between skips, the umpire shall be asked for a decision. In the event of his decision being disputed by either or both of the contestants (skips) the matter may be appealed to the Chairman of the Ice and Draw Committee and her decision shall be final.

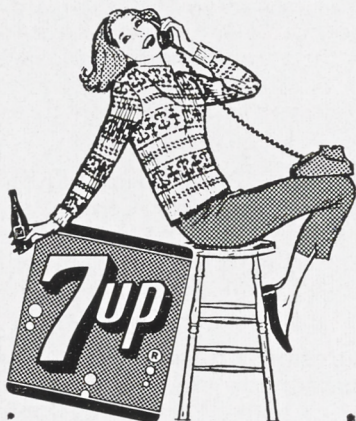

17. The umpire at the close of each game shall, together with the losing skip, sign the score cards.

18. In the opening round of any bonspiel event rinks will play as drawn regardless of the club to which they belong.

19. In connection with competition, where the question is raised as to whether a game is played or defaulted, it shall be understood that all games where six ends or more have been played the game shall be considered a played game and all games called prior to the completion of the sixth end by the Ice and Draw Committee shall be declared no contest and redrawn, the contestants to start from scratch on the new draw.

20. Where no specific rule is given to apply to competition, then the General Bonspiel Rules of the Manitoba Curling Association shall apply. Should any emergency arise during the time of the Bonspiel, the Ice and Draw Committee may change General Bonspiel Rules.

RULES OF THE GAME

1—4. Specifications of rinks.

5. All curling stones shall be of a circular shape. No stone including handle and bolt shall exceed 44 lbs., or of greater circumference than 36 inches, or less height than 1/8th part of its greatest circumference.

6. No stone shall be substituted for another (except under Rule 7 or Rule 17) after a match has started, but the sole of a stone may be reversed at any time during a match, provided the player be ready to play when his turn comes.

7. Should a stone be broken, the largest fragment shall be counted for the end—the player being entitled to use another stone or another pair, during the remainder of the match.

8. Any stone which rolls over, or comes to rest on its side or top, shall be removed from the ice.

9. Should the handle quit the stone in delivery, the player must keep hold of it, otherwise he shall not be entitled to replay the shot.

10. Every stone which does not clear the "hog line" shall be called a "hog" and must be removed from the ice, but no stone shall be considered a "hog" which has struck another stone lying in position. A stone coming to rest after passing the "back line" and being clear of it must be removed from the ice.

11. All matches shall be of a certain number of "ends" or "shots" or "by time" as may be agreed on or as fixed by an umpire at the outset. In the event of competitors being equal, play must be continued by all the rinks engaged for one or more ends as may be agreed on, or as may be "fixed" by the umpire until the match has been decided.

12. Every rink of players shall be composed of four a side, each player using two stones, and playing each stone alternately with his opponent. No player shall wear boots, tramps, or sandals with spikes or other contrivance which may break or damage the surface of the ice. The rotation of play observed during the first end of the match or game or competition shall not be changed. Any rink not having its full complement of four players shall be disqualified, except in the case of illness or accident during the competition. If the skip, the vice-skip or the second player is absent; the lead shall play four stones in the proper rotation as lead and second player. If the lead is absent, the second player shall play four stones in the proper rotation as lead and second player.

13. The skips opposing each other settle by lot or in any other way they may agree upon, which party shall lead at the first end, after which the winners of the preceding end including extra ends if any, shall do so.

14. The skip shall have the exclusive direction and control of the game for his rink, and may play last stone, or any position in the games he pleases, but he shall not be entitled to change his position when that has been fixed. When his turn to play comes, he

shall select one of his players to act as skip in his place, and take the position of an ordinary player. No other player may act as skip except the one so designated at the start of the match. The skip may return to the tee for consultation with the acting skip. Any consultation or discussion by the skip, other than with his vice-skip shall not be conducted in or behind the rings.

15. Players during the course of each end shall be arranged along the sides, but well off the centre of the rink, as the skips may direct; and no one except the playing party and his sweepers, shall go upon the centre of the rink. Skips and/or vice-skips may stand within the circle. The skip of the playing party shall have the choice of place, and shall not be obstructed by the other skip or vice-skip in front of or behind the sweeping line, but behind the sweeping line the privileges of both shall be equal. No other player than the skips acting for the time being may stand behind the circle while play is proceeding.

16. Each player must play from the hack and in the delivery of the stone, no part of a curler's body shall go beyond the nearest hog line during the uninterrupted motion in the delivery of the stone; i.e., a curler in the act of delivering a stone must come to a complete stop before any part of the body reaches the nearest hog line. Nor shall the curler be permitted to leap over, slide over on the other foot, or even put his hand over to check his slide.

(a) Left-handed players shall play from the hack placed on the right-hand side of the centre line, and right-handed players shall play from the hack placed on the left-hand side of the centre line.

Stone delivered from the wrong hack, or by a player not complying with Rule 16, shall be removed from play by the playing side immediately after the player has delivered his stone. Should the playing side not remove the offending stone, then the umpire shall have the power to order the removal of said stone. However, if the stone so played has come to rest or struck another stone, the played stone shall be removed and the displaced stone or stones be placed as nearly as possible where they originally were to the satisfaction of the opposing skip. Both skips should agree upon the position, but failing agreement the umpire shall decide. No player may hold his stone and return to the hack for another delivery once the stone has crossed the nearest sweeping line. In the event of an infraction, the stone shall be removed from the ice by the playing side.

17. Each player must be ready to play when his turn comes and must not take more than a reasonable time to play. Should a player play a stone belonging to the other side the stone which ought to have been played shall be put in its place.

18. If a player should play out of his turn the stone so played may be stopped in its progress and returned to the player. Should the mistake not be discovered until after the stone has come to rest or has struck another stone the end shall be continued as if it had been played properly from the beginning, but the missed stone shall be played by the player missing his turn as the last stone from his

side for that end. If after consultation with the rinks and the umpire or a neutral curler thoroughly conversant with the rules, it has been agreed that a stone has been missed and it is impossible to decide which player has missed playing the stone, the lead shall play the last stone for his side for that end.

19. The sweeping shall be under the direction and control of the skips. The player's party may sweep the ice from the sweeping line next to the player to the sweeping line at the other end and any stone set in motion by a played stone may be swept by the party to which it belongs in front of the sweeping line but behind the sweeping line both skips shall have equal rights as per Rule 15. Only the skip or vice-skip of each rink directing play at the time shall be allowed to sweep behind the sweeping line. When snow is falling or drifting the player's party may sweep the ice from hack to hack. The sweeping shall always be to a side and all sweepings shall be removed from the rink. At the conclusion of the end either of the skips may call upon all players to clean and sweep the entire rink. If objected to, this shall be subject to the approval of the umpire.

20. (a) If, in sweeping or otherwise, the course of a running stone be affected by any of the party to which it belongs, it shall be removed from play, by the playing side, but if by any of the adverse party, it shall be placed where the skip of the party to which it belongs shall direct. Should the position of any stones be altered by such affected stone the skip opposed to the party at fault shall have the sole right to replace them.

(b) Should any played stone be displaced before the end is reckoned, it shall be placed as nearly as possible where it lay, to the satisfaction of the skip opposed to the party displacing. If displaced by any other party, both skips should agree upon the position to which it is to be returned, but if they do not agree, the umpire shall decide.

21. All games shall be decided by a majority of shots. A rink shall score one shot or point for every stone which is nearer the tee than any stone of the opposing rink. Every stone which is not outside the outer circle shall be eligible to count. All measurements shall be taken from the tee to the nearest part of the stone. Disputed shots shall be determined by the acting skips; if they disagree, by the umpire; or when there is no umpire, by a neutral curler chosen by the skips. No measuring of stones shall be allowed previous to the termination of the end except by the umpire when necessary for the umpire to decide whether or not a stone is alive.

22. On appeal from any competing skip, in any competition the umpire or the committee appointed for the purpose shall have the right to declare whether or not the ice is playable. In every case of postponement to another day the competition when renewed must commence "de novo."

Rules for the Manitoba Dominion Silver "D" Playdown Championship 1963-64

Any club affiliated with the Manitoba Ladies' Curling Association, and in good standing, shall be eligible to enter one winner only in the Competition. All competitors must be regular active playing members holding the position of Lead, Second, Third or Skip in their club for the current season. Rinks entering must have four players who are in good standing with their club. ALL ANNUAL DUES AND MEMBERSHIP FEES MUST BE PAID BY DECEMBER 31st, 1963.

The Province shall be divided into four Zones; namely, ZONE "A", comprising District Nos. 1, 2, 5 and 6; ZONE "B", comprising District Nos. 3, 4, 7 and 8; ZONE "C", comprising District Nos. 9, 10, 11 and 12; and ZONE "D", comprising District Nos. 13, 14, 15 and 16. Each Zone shall be sub-divided into four Districts according to geographical location.

All Clubs entered shall be placed in their respective Districts by the Playdown Committee. Each District shall play down to a winner. District Winners from Districts 1, 2, 5 and 6 shall participate in the ZONE "A" Finals to be played at the St. Vital Curling Club, Winnipeg 8; District Winners from Districts 3, 4, 7 and 8 shall participate in the ZONE "B" Finals to be played at Carman; District Winners from Districts 9, 10, 11 and 12 shall participate in the ZONE "C" Finals to be played at Dauphin; and the District Winners from Districts 13, 14, 15 and 16 shall participate in the ZONE "D" Finals to be played at Melita. They shall participate in a 'round robin' competition to declare a winner in their respective ZONES. Zone Winners shall participate in the Dominion Silver "D" Championship (sponsored by Dominion Stores Limited), to be played at the Fort Rouge Curling Rink, Winnipeg, Friday and Saturday, February 7th and 8th, 1964.

District Games **MUST** be completed, and winners' names forwarded to the M.C.L.A. Secretary-Treasurer **BEFORE** January 27th, 1964, (preferably January 25th, if possible).

Each District shall choose their own method for determining a District Winner (with games being played on artificial ice if possible). District Semi-Final and Final Games shall be 10 ends. Where the question is raised as to how many ends have to be played to designate a game, it shall be understood that where six ends or more have been played, said game shall be considered as played. Any protests on ice conditions must be registered by the **SKIP** with the Umpire prior to the completion of the sixth end. In the event that the Umpire's decision is disputed by either or both SKIPS, the Skips may appeal to the representatives of the Playdown Committee, and their decision will be final. Score cards are to be used in all games, and shall be signed at the end of each game by both Skips and handed to the Umpire.

To assist the Playdown Committee, each District taking part in the Playdowns shall have a District Chairman to act for her District, to take charge of her District Draw, to arrange for her District Games to be completed, and to act as District Umpire for these games. In addition, each District shall have a Vice-Chairman, who shall **NOT** be a member of the same club as the District Chairman. Where a large District has been sub-divided into two sections, the Vice-Chairman shall be appointed from the section not represented by the District Chairman, and shall discharge the duties for the Chairman in her section of the District. In the absence of the District Chairman, the District Vice-Chairman shall take her place and discharge the duties of her position in the District. At the time of the District

Meeting, a Vice-Chairman shall be appointed for a two-year term. Upon completion of her term as Vice-Chairman, she shall hold the position of Chairman for a two-year term.

The District Chairman shall be responsible for a full report on Play-down activities in her District. This report is to be submitted **in writing, immediately** following the completion of the District Games, and should be made out in triplicate. One copy is to be forwarded to the M.L.C.A. Secretary-Treasurer, one copy is to be retained for the District records, and one copy is to be mailed as indicated below, for presentation at the four Zone meetings.

Reports from Districts 1, 2, 5 and 6 will be presented at the ZONE "A" Meeting, and are to be mailed to Mrs. D. R. Camerron, 911 Campbell Street, Winnipeg 9.

Reports from Districts 3, 4, 7 and 8 will be presented at the ZONE "B" Meeting, and are to be mailed to Mrs. L. G. Edmondson, Box 629, Carman, Manitoba.

Reports from Districts 9, 10, 11 and 12 will be presented at the ZONE "C" Meeting, and are to be mailed to Mrs. W. A. Senebald, 377 Centennial Street, Winnipeg 9.

Reports from Districts 13, 14, 15 and 16 will be presented at the ZONE "D" Meeting, and are to be mailed to Mrs. J. W. Wishart, 20 Tupper Street, South, Portage La Prairie.

N.B.—Due to the fact that the date for declaration of District Winners, at the request of the participants, has been set for January 27th, 1964, (one week later than in former years), it is **IMPERATIVE** that all District Reports be mailed as directed above, on January 27th, to ensure delivery to the respective recipients on January 28th, 1964.

One substitute will be allowed in case of illness or accident or a justifiable reason. Name of the substitute must be given when the four names of the District winning rink are sent to the M.L.C.A. Secretary-Treasurer prior to January 27th, (January 25th if possible) 1964. Any four of the five named players may play in any position at the District and Zone levels. The substitute **MUST** be a regular active playing member in good standing, holding the position of Lead, Second, Third or Skip in the winning rink's club.

In the Dominion Silver "D" Championship to be held in Winnipeg on February 7th and 8th, 1964, no substitution will be permitted after the competing rinks have actually commenced play. In the event that illness or accident compel the Skip, Third or Second to retire, the Lead shall play four stones. If the Lead shall be compelled to retire, the Second shall play four stones. Should the incapacitated player resume play, each player shall return to her original position.

The Dominion Silver "D" Champion rink shall hold the Dominion Silver "D" Trophy for one year. The Dominion Silver "D" Champion rink shall be eligible to represent Manitoba in the competition for the Canadian Ladies' Curling Association Championship, the Dominion Diamond "D".

In the event that the winning rink is unable to represent Manitoba in the Dominion Diamond "D" Championship, the M.L.C.A. Executive shall declare the runner-up as the Provincial representatives.

All matters not dealt with in these Rules, shall be governed by the 'Rules of The Game' as printed in the M.L.C.A. Annual Year Book.

NOTE: Any town that has sufficient ice, and accommodation available for four (4) rinks and the Committee representatives, may apply for the Zone Finals to be held in their town.

Are you AN ACTIVE CURLING MEMBER,

Or are you just contented,
That your name is on the list?

Do you attend club meetings,

DO YOU take an active part,
To help the club along,
Or are you satisfied to be,
